Dear valued customers and suppliers

RE: APPOINTMENT OF SERVICE AGENT IN EAST LONDON

It's been a month since all stakeholders were advised of Criterion Equipment's intention to close its East London branch.

As mentioned previously, the East London branch has faced many challenges in recent years, culminating in this very difficult decision. The intended timing for the closure of the branch remains 31 January 2022.

This letter serves to advise of the appointment of **Buffalo Forklift and Fleet Services** as Criterion Equipment's service agent in East London. The intention is to extend the scope of service agreement to that of a fully-fledged sub-dealer for the East London area.

Buffalo Forklift and Fleet Services will report into Criterion Equipment's Port Elizabeth branch.
